GAMES FUN

# 4-H EXPLODING BACON ROBOTICS CLUB 2021 SUMMER CAMPS

Exploding Science Robotics Camp

June 21-25: 10:00am - 4:00pm

\$225.00 (multiple child discount, \$200 for each additional child)

Science and robotics go hand in hand in our Exploding Science robotics camp. Students form Lego Robotic teams to learn simple programming, strategy, and design to complete missions for a friendly end-week competition. Exciting hands-on science experiments and team-building games round out the fun. This camp is geared toward 8-12 yrs.

Campers are to bring their own lunch, beverage, and snack. This camp will be held indoors and outdoors. Unless otherwise noted, masks will be required for the indoors portion.

**Space is limited, so book now!**

Held at the Exploding Bacon Build Space: 7040 Stapoint Ct, Winter Park, FL 32792
